# Property Highlights

With a vibrant mix of flagship stores, niche boutiques, exclusive food concepts and a local artisan market, Centre Eaton de Montréal delivers the largest concentration of downtown retail under one roof. Located on Sainte-Catherine Street (the city's busiest commercial artery), it is directly linked to Montréal's 33km Underground City, the city's second busiest subway station, Place Montréal Trust, and – soon – the downtown hub for the city's new light-speed rail system which will connect the North Shore, South Shore, West Island and the YUL Montréal-Trudeau International Airport.
